II. OTHER ACTIVITIES

a. C/OS participated briefly on 26 October in a review of the PP Seminar write-up noted in more detail in AH/OS report. The discussion had not progressed very far before it became very clear that a report satisfactory to all participants of the Seminar could not be produced without virtually running another Seminar. C/OS was therefore the first to suggest that the raw notes taken on the Seminar be made available to C/PP to do with as he wished.

b. Specific plans for the presentation of CE courses over the next six months were discussed with the chief CE instructor.
